
UJesu Krestu nguye kwaphela umsindisi

Uzakubeletha indodana, uyithiye ibizo lokuthi uJesu, ngombana uzakusindisa abantu bakhe ezonweni zabo. UMatewu 1:21

Ngombana uZimu walithanda kangaka iphasi, waze wanikela ngendodanakhe ezelwe yodwa, ukwenzela bona woke umuntu okholwa kiyo angabhubhi, kodwana abe nokuphila okungapheliko. UJohane 3:16

UJesu wathi kuye: Mina ngiyindlela, iqiniso, nokuphila. Kakho oza kubaba ngaphandle kwami. UJohane 14:6

Kakho ukusindiswa komunye umuntu, ngombana alikho elinye ibizo ngaphasi kwezulu elinikelwe ebantwini, ekufuze sisindiswe ngalo. IzEnzo 4:12

Ngombana ngalinikela kokuthoma lokho nami engikwamukeleko, ukuthi uKrestu wafela izono zethu ngokuya kwemiTlolo; nokuthi wangcwatshwa, wavuka ngelanga lesithathu ngokuya kwemitlolo: 1 KwabaseKhorinte 15:3-4

Ngaye sinokuhlengwa ngeengazi zakhe, ukulibalelwa kwezono, ngokwenotho yomusa wakhe; Kwabase-Efesu 1:7

Kunamaqiniso amane okufuze siwazwisise ngokuzeleko:

1. UZimu uyakuthanda khulu.

Ufuna bona ube nokuphila okungapheliko ezulwini naye.
Ngombana uZimu walithanda kangaka iphasi, waze wanikela ngendodanakhe ezelwe yodwa, ukwenzela bona woke umuntu okholwa kiyo angabhubhi, kodwana abe nokuphila okungapheliko. UJohane 3:16

Ufuna bona ube nepilo enengi nezwakalako naye.
Isela liza ukuzokweba, nokubulala, nokutjhabalalisa. Ngizele bona babe nokuphila, nokuthi babe nokuphila okukhulu. UJohane 10:10

Nanyana kunjalo, abantu abanengi abaphili ipilo enenjongo begodu abanasiqiniseko sokuthi banayo na ipilo engapheliko ngombana...

2. Umuntu unesono ngokwemvelo. Kungakho ahlukaniswe noZimu.

Soke sonile.
Ngoba bonke bonile, baswele udumo lukaNkulunkulu;
KwabaseRoma 3:23
Ngoba ukuthanda imali kungumsuka wakho koke okumbi...
1 KuThimothi 6:10

Umvuzo wesono kukufa.
Ngoba umvuzo wesono ukufa... KwabaseRoma 6:23

IBhayibheli liveza imihlobo emibili yokufa:

- Ukuhlongakala ngokomzimba

Njengoba kuqondiswe ebantwini ukuthi bafe kanye, kodwana ngemva kwalokho kube nokwahlulela: KumaHebheru 9:27

- Ukufa ngokomoya nofana ukuhlukana kwaphakade noZimu esihogweni

Kodwana labo abanokwesaba, abangakholwako, abanyanyisako, ababulali, abafebe, abathakathi, nabakhonza iinthombe, nabo boke abaqamba amanga, bazokufumana isabelo sabo echibini elivutha umlilo nesibabule. IsAmbulo 21:8

Nangabe umuntu ahlukaniswe noZimu ngebanga lesono sakhe, ngisiphi isisombululo somraro lo? Kanengi sicabanga bona iinsombululo zi: ikolo, imisebenzi emihle, nemikhuba emihle.

Kodwana kunesisombululo sinye esivela kuZimu.

3. UJesu Krestu nguye kwaphela indlela eya ezulwini.

Lokhu kusimemezelo sakaZimu.
UJesu wathi kuye: Mina ngiyindlela, iqiniso, nokuphila. Kakho oza kubaba ngaphandle kwami. UJohane 14:6

Wabhadela isijeziso esipheleleko sezono zethu.
Ngombana uKrestu wahlupheka kanye ngebanga lezono, olungileko ngebanga labangakalungi, ukwenzela bona asilethe kuZimu, wabulawa enyameni, kodwana wavuswa ngomoya: 1 Petru 3:18
Ngaye sinokuhlengwa ngeengazi zakhe, ukulibalelwa kwezono, ngokwenotho yomusa wakhe; Kwabase-Efesu 1:7

Unesithembiso sokuphila okungapheliko.
Lowo okholwa endodaneni unokuphila okungapheliko, kodwana ongayikholwa endodaneni angekhe akubone ukuphila, kodwana ulaka lukaZimu luhlala phezu kwakhe. UJohane 3:36
Ngombana umvuzo wesono kukufa; kodwana isipho sakaZimu sikuphila okungapheliko ngoJesu Krestu iKosi yethu. KwabaseRoma 6:23

4. Kufanele sikholwe kuJesu Krestu ukuze sisindiswe.

Ukusindiswa kwethu kungenxa yomusa kaZimu ngokukholwa kuJesu Krestu.
Ngokuba ngomusa nisindiswa ngokukholwa; begodu lokho akusikho okuvela kini, kodwana kusipho sakaZimu, akusikho okuvela emisebenzini, ukwenzela bona kube nomuntu ongazikhakhazisa. Kwabase-Efesu 2:8-9

Ngoba loba ngubani obiza ibizo leNkosi uzasindiswa. KwabaseRoma 10:13

Umthandazo wesoni

Thandaza lokhu ngokukholwa:
Nkosi Jesu, ngiyathokoza khulu ngokungithanda. Ngiyavuma bona ngiyisoni begodu ngibawa ukulibalela kwakho. Ngiyathokoza ngokuhlongakala kwakho esiphambanweni, ukungcwatshwa, nokuvuka kwakho ukubhadela zoke izono zami. Ngiyakuthemba njengeKosi noMsindisi wami. Ngiyasamukela isipho sakho sepilo engapheliko begodu nginikela ipilo yami kuwe. Ngisize ngilalele yoke imilayo yakho ngithokozise phambi kwakho. Amen.

Nawuthembele kuJesu Krestu, lokhu okulandelako kwenzeke kuwe:

- Nje-ke, unokuphila okungapheliko noZimu.

Intando yalowo ongithumileko yilokhu, ukuthi woke umuntu obona indodana begodu akholwe kiyo abe nokuphila okungapheliko, begodu ngizomvusa ngelanga lokuphela. UJohane 6:40

- Zoke izono zakho ziyabhadelwa begodu zithethelelwe.

(esikhathi esidlulileko, samanje, esizako)
Kodwana umuntu lo, sele anikele umhlabelo owodwa ngebanga lezono, wahlala phasi ngesidleni sakaZimu; KumaHebheru 10:12

• Uyindalo etja emehlweni kaZimu. Kuyisiqalo sepilo yakho etja.
Ngakho-ke, umuntu ekuKhristu, uyisidalwa esisha; qala, zoke izinto sezitjha.
2 KwabaseKhorinte 5:17

• Waba mntwana kaZimu.
Kodwana boke abamamukelako, wabanikela amandla wokuba madodana kaZimu, labo abakholwa ebizweni lakhe: UJwanisi 1:12

Imisebenzi emihle akusiyo indlela yokuthi sisindiswe, kodwana ubufakazi nofana isithelo sokusindiswa kwethu.
Ngombana siyizenzo zakhe, sadalelwa kuKrestu uJesu bona senze imisebenzi emihle, uZimu ayilungiselele ngaphambilini bona sikhambe kiyo. Kwabase-Efesu 2:10

Uzimu akubusise!
